Hello,

I hope this finds you well.

I'm Anna and I'm the Regional Fundraiser covering Central England for Dementia UK. We recently received an incredibly generous donation from Keltruck Ltd HQ and I was hoping you may be able to point me in the direction of the best person to speak to within Keltruck Ltd regarding this donation. I would love to find out a bit more about why Keltruck Ltd chose to support Dementia UK and of course we would like to send out another thank you as a small token of our huge appreciation.

Is there a phone number I can call to find out a bit more about this donation?

Looking forward to hearing from you.

Warm regards,
Anna

Good afternoon Keltruck team,

I only wish all of our post contained £5000 cheques and letters of gratitude for what we do. Thank you. Thank you all so very much indeed. The letter accompanying your staff-nominated donation had this email and your head office on the letterhead; should you know of any particular staff member or branch involved in raising this money we would be very grateful if you can either forward this email to them or provide their information in order for us to get in touch to say thank you.

You are now a part of Team GWAAC. You are part of a team that ensures the most sick and injured people in our shared community receive the best possible chance on their worst day. Our Specialist Paramedics and Critical Care Doctors perform hospital Emergency Department care, but at the roadside. By getting this specialist team to the patient – fast – we save lives that would otherwise be lost.

Without our supporters, our crew couldn't have treated four-year-old Jasmine ([link](#)), who suffered a devastating respiratory arrest at home. We couldn't have treated Sallyanne ([link](#)) who suffered catastrophic injuries as a result of a horse riding accident. We couldn't be there for the five people we treat every day who are in desperate need of significant medical care and whose family breathe a small sigh of relief when they see our green helicopter arriving on scene. In the words of Niky, Jasmine's mum:

"There is not a day that has gone by since, where we have not thought of you all. You saved Jasmine's life, and ours, that day."

This has been a difficult year for Great Western Air Ambulance Charity, where we find ourselves in the unfortunate position of being both busier than ever but with less forecasted income. Thanks to the kindness of you and our supporters, 2021 is looking a little brighter with some key milestones to celebrate; we have new team members joining our unit and new medical innovations to implement, which means our region continues to benefit from the best possible pre-hospital medical care available. You are a part of this incredible team. Welcome to Team GWAAC, it's great to have you on board.

It would be my pleasure to attend, either virtually or in person, to talk about the impact your support will have on our shared community and, in addition, would welcome you and staff up to our airbase in Almondsbury to give you a tour of the facility you are having a massive part in helping to fund.

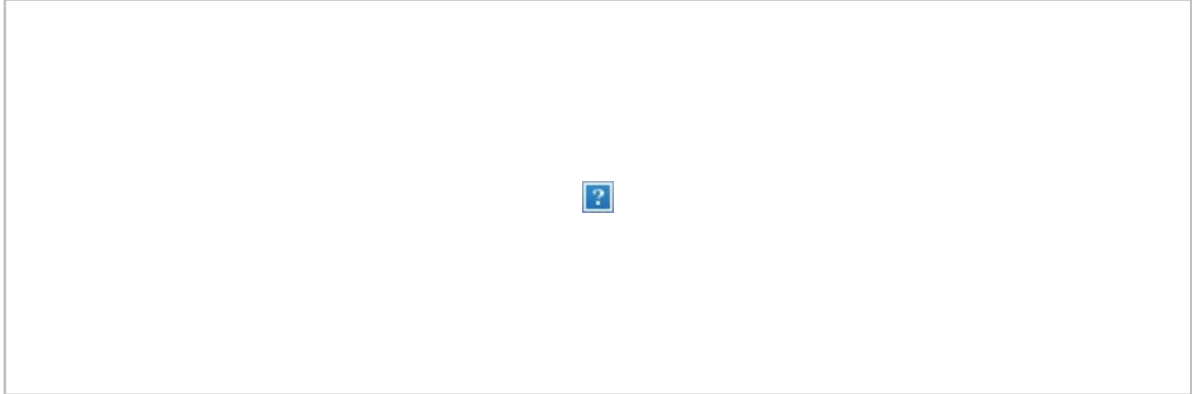

Please do let me know if this appeals.

Kind regards

Joe and everyone from GWAAC

Dear Sir/Madam

Please find enclosed a Certificate of Appreciation for the donation of £5000.00 received from yourselves following the nomination of the Donor Family Network to be the chosen Charity by your Staff.

As the donation is a substantial amount, the Trustees wonder if there was anything in particular you would like your donation to be used for.

The Donor Family Network are always striving to promote organ donation and encouragement of signing up to the Organ Donor Register, therefore we are always very appreciative of donations.

Kind Regards

Hi Ria

I've been given your name as the person to contact about the fabulous donation of £5,000 which we've received from Keltruck - it really is an amazing gift to help us in our work helping babies born premature or sick and their families. Please would you be so kind as to thank the person who nominated Bliss as the charity to benefit from such a super donation, or let me know their details so I can say a direct "thank you" on behalf of Bliss?

Also Ria, would you like us to send out a certificate to acknowledge this wonderful gift? If so, please could I have your contact details and we will pop it in the post?

With sincere thanks and best wishes to everyone at Keltruck,

Hi Peter,

Hope you are well and don't mind me getting in touch, I did try to call yesterday but you were at another branch!

I just wanted to say a huge thank you for the recent donation of £5,000 to Ty Hafan!

There wasn't much information with the cheque we received other than that the staff had nominated us which is wonderful! At a time when the charity has been under extreme pressure due to the pandemic, this donation means so much to us and the families we support.

I know you have personally visited the hospice in the past and met some of my colleagues and I am hoping we will be able to invite the public to visit again sometime soon when it is safe to do so. But for now, could you please share the attached video with the staff at Keltruck by way of thanks from us all at Ty Hafan.

It would be great to pop by and say thanks in person, so please let me know when you are next in either Cardiff or Caldicot and I will come to say hello.

Thanks again for your wonderful support and hope to speak to you soon,

Kelly

Dear Chris

I have, today, been notified that we have received a CAF voucher for £5,000 from Keltruck. I am astonished by your generosity, especially after you gave so generously at Easter.

I would love to meet you face to face, if possible (and covid safe) to thank you in person and talk about the impact of this donation and others. It may be preferable to meet with some of your team as an alternative and equally I would like to do that in person or over zoom. Would you be agreeable to this?

I can't thank you enough for keeping Birmingham Children's in your hearts and for making a donation of this value.

I very much look forward to hearing from you.

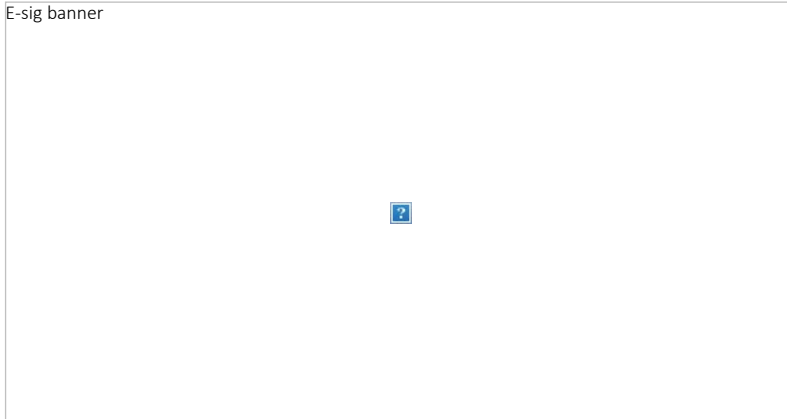

With best wishes,

Helen

Dear Keltruck Ltd,

On behalf of Mind I wanted to thank 'Keltruck Ltd' for your kind and generous donation of £5000.00. We are incredibly grateful for your support especially in light of the difficult circumstances faced by all businesses at the moment.

With your help, we can help people like Adam:
Without Mind I wouldn't be here today. Mind helped me see my positives, my strengths and how my future wasn't as solitary and scary as I had thought. They helped me turn my life around and manage what I now know is my bipolar.

We believe no-one should have to face a mental health problem alone and without your generosity we would not be able to provide people with the vital information and support that can change their lives for the better. Your support will help us improve services, raise awareness and promote understanding of mental health issues.

Last year, our network of over 125 local Minds in England and Wales supported over 500,000 people through services such as counselling, back to work mentoring, and therapy. Our helplines answered almost 180,000 calls, and 16 million people accessed our information. 108,000 people received direct support through our online peer support communities, which users describe as 'life-saving'.

Thank you so much once again for your valued support.

Yours sincerely

NHS CHARITIES TOGETHER

Dear Keltruck Ltd

On behalf of everyone at NHS Charities Together, I'd like to say thank you for your incredibly kind donation of £5,000.00.

Thanks to support such as yours, NHS charities across the UK are able to support the NHS staff, volunteers, and patients in their hospitals in ways above and beyond what NHS funding can ordinarily provide. Your donation will help to kit out Recharge Rooms, which are dedicated areas of hospitals where staff can go for rest and relaxation during busy shifts, fund games and activities to support young patients in mental health wards and in the community and provide electronic tablets for patients to video call their loved ones.

Once again, I'd like to say a huge thank you for your support and generosity towards our Covid-19 Appeal.

Please see below your official receipt.

Kind regards,

Jaime Burford

Keltruck Ltd, thank you so much for supporting Parkinson's UK

Dear Keltruck Ltd ,

Thank you so much for your generous gift of £5,000.00 to Parkinson's UK.

After a year of being told what we can't do, we're focusing on what we CAN do. We can fund the right research into the most promising treatments. We can support people in our Parkinson's community. And together, we can find a cure.

We can't do any of this without the generosity of people like you, so thank you very much.

While I'm writing to you, I wondered if you've thought about making a regular gift to Parkinson's UK? It's really easy to set up and you can choose how often you'd like to give. There's no pressure to do this, but if you want to find out more, please just get in touch. Or you can sign up to give monthly at parkinsons.org.uk/regular-giving.

Thank you so much again for giving to Parkinson's UK and making a difference to the Parkinson's community.

Yours sincerely,

12th May 2021

Dear Ms Joynes and everyone at Keltruck,

We were absolutely delighted to receive your cheque for £5,000 following the nomination by one of your employees. Thank you very much for your generosity and support of The Grand Appeal and Bristol Children's Hospital.

As the dedicated Bristol Children's Hospital charity, The Grand Appeal's priority is to ensure that we provide as much support as possible for patients and families from across the whole of the South West of England and South Wales when they need it most. Your donation will be used to support the Emergency Department in Bristol Children's Hospital.

The Department treats 40,000 poorly babies and children every year for a range of conditions from asthma through to meningitis and sepsis. With an ever-expanding population under its care, our current project is specifically supporting vulnerable and high-risk children with complex needs who are admitted to the Children's Emergency Department. Currently there is no separate dedicated space for emergency patients with additional needs when they visit the hospital, and many of the patients find the loud, bright and busy department extremely distressing whilst they are awaiting treatment – at a time when they are also feeling very sick. The project will create a vital multi-functional 'Safe Space' Cubicle within the busy Emergency Department for those patients with complex needs, who require a more specialised environment. This dedicated room will serve both as a waiting area and a clinical space for children with mental health support needs, disabilities and learning difficulties, who find being in the department in its current provision very upsetting.

This project will be a first of its kind, as currently there is no other dedicated provision, in any other Children's Emergency Departments nationally that provide for patients with complex and individual needs.

Thanks to your support, we are able to continue to make a life-changing difference and support the incredible staff, patients and their families who need us now more than ever.

Thank you for helping us to make a difference.

Best wishes,

Helen Haskell

Dear All at Keltruck,

On behalf of Velindre Cancer Centre, I would like to thank you for your kind donation of £5,000.00. We are absolutely delighted to have received this generous amount. Please pass on our upmost thanks to all of your colleagues who put Velindre forward. As you can imagine charities such as ours are experiencing difficult times fundraising, so this is very much appreciated.

Your support is sincerely appreciated and makes a huge difference to patients and their families.

Velindre, the *Hospital of Hope* has been providing specialist treatment and supportive care to cancer patients in Wales for over 60 years.

Money raised for us funds ground breaking research and clinical trials, cutting edge treatments, specialist nurses, support services, therapies, equipment and so much more which are above those provided by the NHS - so donations really do have a significant impact on patients and their families. More people than ever are living with cancer and survival rates have doubled in the last 40 years through better treatments and earlier detection.

Your donation will allow us to continue to provide *Hope* for the future.

Without any imposition of trust, we will attempt to comply with your wishes as to the use of the donation. Unless specified, your donation will be paid into our general Donations Fund which is used to support all our services, projects and appeals.

We hold your details to keep a record of your donation, managed in accordance with Data Protection legislation. We will never share your details.

We aim to provide the best care, when people need us most. Thank you.
